Reclining Furniture...Unplugged

by

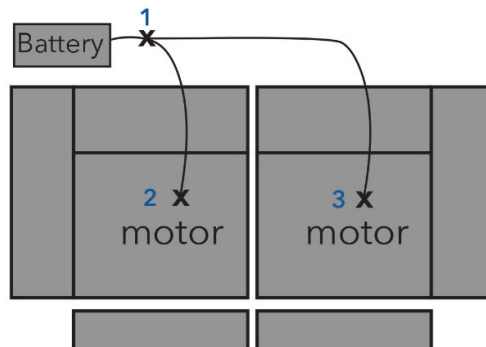

freemotionbattery.com

## **Your FreeMotion Y1 Kit purchase includes:**

(1) Y-cable with one short side and one long side

**This product is designed to connect two independent power reclining modular pieces that are less than three feet apart. Below is a diagram of how your Y1 Kit could be used**

## Installation instructions for Y1 Kit

1. Connect base of the Y-cable to FreeMotion battery.
2. Connect short side of Y-cable to the motor(s) of the nearest independent power reclining modular piece.
3. Connect long side of Y-cable to the motor(s) of the next independent power reclining modular piece..
